

# Pay Less for Books at Bogart's Book Exchange

(Wind Chimes Book Exchange)

## Used Books Without Credit are 50% Off

All our used books sell for one half the original price (the price printed on the cover or back of the book).

**Example**  
\$4.95  
x 50%  
\$2.48 you pay

## How to Trade in Your Books

Bring in your books. We add up all the prices and give you 75% of that amount in credit. Then you get to take out used books up to the amount of your credit and you only have to pay 25% of the original price in cash.

**Example**  
\$4.95  
\$4.95  
\$4.95  
\$4.95  
\$19.80

If you don't use all your credit while you're here we will give you a credit slip to use when you come in again. There's no time limit on credit slips. They're good until you use them up!

\$19.80  
x 75%  
\$14.85 credit received

## When you trade in Your Books

### Used Books are 75% Off!

If you trade in books, then you only have to pay 25% of the original price in cash. That's 75% off the original price! (As long as you have enough trade in credit to cover the cost of the book).
